Director

Dear BMP Enrollee:

Enclosed are your Annual Water Withdrawal and Use Report forms for calendar year 2013. The Summary Page is printed on the reverse side of this letter. The number of Irrigation Rights within this BMP Farm Unit is printed in the upper-right corner of the Summary Page.

The enrollee need file only one Annual Report for the entire BMP Farm Unit. BMP enrollees are asked to please pay special attention to the Schedule BMP, which the Department will use to update its record of the water management practices you have agreed to implement annually on your BMP farm. Your BMP Farm Unit is made up of the Irrigation Rights listed on an attachment to the Schedule BMP, under the heading "Irrigation Rights Within the BMP Farm Unit". The Schedule BMP must be received by the Department or postmarked no later than March 31, 2014.

THE REST OF THIS LETTER APPLIES ONLY TO THOSE BMP ENROLLEES WHO FILE THEIR OWN ANNUAL WATER WITHDRAWAL AND USE REPORT FORMS

The Department has preprinted certain information from our records onto these forms. Please pay particular attention to the schedules and worksheets. If any of the preprinted information is incorrect, please make the necessary changes. A single check should be enclosed to cover all the fees associated with the BMP Farm Unit, and the BMP Farm Number should be written on the check.

The Groundwater Code requires each person who owns or leases a right to withdraw groundwater in an Active Management Area to file an Annual Report, even if no groundwater was used. Persons who did not withdraw or use water during 2013 are required to return the form(s) with zeros in the appropriate blanks and sign and date the summary page.

Reports must be received by the Department or postmarked no later than March 31, 2014. The penalty for filing late is \$25.00 per month or part of month that the report is late up to \$150.00. In addition, if you withdrew groundwater, and did not pay the withdrawal fee on time, the penalty is 10% of the unpaid fee per month or part of a month that the fees are delinquent, up to a maximum of 60% of the unpaid balance. In addition, after six months the Department may take further enforcement action for failure to file an Annual Report, including seeking civil penalties in an amount not less than \$250.

The BMP farm operator as of December 31, 2013 is responsible for filing an Annual Report covering the entire calendar year. Please contact Groundwater Permitting and Wells Section for conveyance forms and instructions.

We have tried to provide you with the proper forms according to information in our files. Failure to receive the proper forms does not relieve a person of the responsibility of keeping the required records or filing the required reports. You should keep a copy of this report for your records. If you need help or have questions, contact the Annual Reports & Planning Section.

Sincerely,

Thomas Buschatzke
Assistant Director
Water Planning Division
